# JIRA BOARD:

The screenshot displays the Jira Software interface for a project named 'Personal expense tracker'. The top navigation bar includes 'Jira Software', 'Your work', 'Projects', 'Filters', 'Dashboards', 'People', 'Apps', and a 'Create' button. A search bar is located on the right. A banner at the top asks, 'Does your team need more from Jira? Get a free trial of our Standard plan.' The left sidebar shows the project name and a navigation menu with 'PLANNING' (Roadmap, Backlog, Board) and 'DEVELOPMENT' (Code, Project pages, Add shortcut, Project settings). The 'Board' option is selected. The main area is titled 'All sprints' and shows a Kanban board with three columns: 'TO DO 2 ISSUES', 'IN PROGRESS 2 ISSUES', and 'DONE'. The 'TO DO' column contains 'Performance Testing' (PET-7) and 'User data uploading' (PET-8). The 'IN PROGRESS' column contains 'Sendgrid' (PET-5) and 'Chatbot' (PET-6). The 'DONE' column is empty. A 'Complete sprint' button is visible. The bottom of the screen shows a Windows taskbar with the time 13:14 on 16-11-2022.

Personal expense track...  
Software project
